How to Obtain BVFC Club Registration

Process

1. Attend a Club Registration event or meet with a Club Registration Rep (contact info provided below) and provide the following to be recorded on a Club Registration application form (MR334):
 - Registration Certificate for vehicle ID details (VIN, engine number etc)
 - Driver's Licence number (for both owners if registered in joint names)
 - A copy of the LHD or Street Rod exemption (if applicable)
 - Payment of Club Registration fees to the Club as below:
 - Annual rego fee \$20 per vehicle
2. Attend a Service SA customer service centre, fill out a standard application for registration form (MR1) and lodge it together with the completed MR334 form the Club provided. They will calculate the SA Gov registration fee which will be a lot less than normal.

Conditions

- Your vehicle must be 25 years or older in the current calendar year.
- If your vehicle is LHD or a Street Rod, a Certificate of Exemption must be obtained from the DPTI Vehicle Standards Division before applying for Club Registration.
- You are a financial BVFC Member.

If you have any questions, please contact one of our Club Registration Reps or email bvfordclubinfo@gmail.com
